

***We want to thank you all** for generously supporting Emma and Grace Silversides' generosity over the past 3 years of birthdays so that more children can experience what it means to think of others' needs and help, serve and uplift in their own unique ways. They are finding joy, purpose, self-worth and a passion for giving in the process. They are also developing the necessary educational, social-emotional and leadership skills to become our next volunteers and community leaders. We hope that our work makes you proud and reflects the beauty, joy and hope of both Emma and Grace, and their whole amazing family!*
